

LINCOLN: Freezing rain with some snow tonight, low near 20. Sunday freezing rain and rain, high near 33. Colder with snow, afternoon or night. Strong northerly winds Sunday night.

NEBRASKA: Cloudy with light snow except freezing rain in southeast tonight. Low near zero in west to 10-15 southeast. Sunday, snow except freezing rain in extreme east and southeast. Winds becoming northerly 35-40 miles an hour. High Sunday near 10 northwest to lower 30s southeast.

FORTY-SEVENTH YEAR

Freezing Drizzle, Snow Falls

Keeps Temperature From Dipping Here: -14 Low At Norfolk

Freezing drizzle and snow was continuing to fall in central, eastern, and scattered sections of western Nebraska Saturday as temperatures edged upward during the afternoon.

But there still was no prospect of the needed January thaw which Gov. Val Peterson said could put Nebraska out of its post-blizzard difficulties.

Some Drifting.
A strong northerly wind swept most areas of the state, causing some new drifting on roads which have been opened in the area swept by the blizzard of '49.

Norfolk's 14 below zero was the low for the state early today.

Half Inch Snow Here.
Snow, which began at 5:30 a. m., was falling in Lincoln while freezing drizzle was causing icing conditions at Omaha, Grand Island, North Platte and Hayes Center.

Meanwhile, the snowfall in Lincoln measured a half of an inch since early morning with .03 moisture being reported.

Blizzard Fizzles.
But the blizzard predicted for the state and for part of Kansas had fizzled. The forecast was for continued light snow with light drizzle in the west and south which is to turn to rain as the temperature rises today.

The mercury dipped to six below in Omaha and to one below in

Utah Emergency.
SALT LAKE CITY—(INS)—Gov. J. Bracken Lee today declared a state of emergency in Utah because of the critical plight of a million head of sheep and other livestock on ranges buried in snow and ice.

Lincoln and a -3 at the city airport. Other lows included Burwell -11, Grand Island -5, and zero at Chadron.

Fuel Still Short.
The weather bureau reported that the temperatures in Lincoln area failed to drop to the forecasted 15 below because of the eastward shift of the high pressure area which had hung over Nebraska.

The shift, the weatherman explained, allowed a warm, overhanging air mass to move in and cause cloudiness, freezing drizzle and rain.

Elsewhere over the state, the continued cold wave worked new hardships. There was still need for fuel in the Burwell and O'Neill areas as rail travel to these Nebraska communities is still blocked. The severe temperatures had cut into fuel supplies there to the danger point.

Ice-Jam Blasted.
Meanwhile, a army engineers blasted an ice-jam in the Missouri river late Friday to ease threats of a flood. They detonated 4,200 pounds of explosive in the stream 11 miles north of Leavenworth, Kas. The blast was expected to lower the river as far up stream as Nebraska city where the ice was causing water to back to and near the flood stage.

In the western portion of the state early today, the weather bureau reported that a heavy fog blanketed the Sidney area. Temperatures ranged from zero to 15 above.

U.S. Seeks To Patch Split

... WITH SOUTHERN NATIONS

WASHINGTON—(AP)—The United States sought Saturday to patch up differences with other American countries over its recognition of Venezuela and El Salvador.

The governments of both those nations came into power in the last year when they overthrew the existing regimes by force—a practice the United States has condemned in the past.

This country's formal recognition, announced Friday, served to broaden a sharp split over the whole issue in the normally solid western hemisphere political lineup.

Chile Summons Council.

A number of American states have resumed relations with Venezuela and El Salvador, but several, including Chile and Uruguay, have thus far refused to do so.

Chile has summoned a special session of the Council of American States for Monday to deal with a complaint of "negligence" against the Venezuelan government, charging refusal to give safe conduct to former Venezuelan President Romulo Betancourt.

That meeting may give representatives of the 21 American republics an opportunity to air their conflicting views.

Just a month ago, the state department formally denounced the use of force as an "instrument of political change" and asked the other American nations to suggest ways to discourage revolts by military minorities.

Negotiations For Defense Pact Open

COPENHAGEN, Denmark—(AP)—Government leaders from Denmark, Norway and Sweden met in the Danish parliament Saturday to begin negotiations on a Scandinavian defense alliance.

Peiping Surrenders

Tottering Government Names Peace Delegation

Red Radio Hits New Regime

Total Surrender Apparently Aim Of Communists

NANKING, — (INS) — China's crumbling nationalist government tonight announced it was ready to sue for peace on the "unconditional surrender" terms laid down by the communists.

Slightly more than 24 hours after he took over the duties of president following the retirement of Chiang Kai-shek, acting President Li Tsung-Jen said:

"The government is willing to carry on peace negotiations on the basis of the eight points contained in the reply to the government's peace proposal."

(The eight points, constituting virtual "unconditional surrender," include nullification of the Chinese constitution, punishment of war criminals (who include Chiang Kai-shek and his wife), and abrogation of treaties with foreign countries, including the United States.)

NANKING — (AP) — Peiping agreed to surrender to the communists Saturday night as the tottering Chinese government named five delegates to attempt a nationwide settlement with the victorious Reds.

The communists gave no indication they would deal nationally on any terms but total surrender, however.

Gen. Fu Tso-Yi's North China government headquarters announced a Peiping cease-fire had been agreed upon and a liaison office would take charge during a transition period before the communists moved into the famous old northern capital.

Peiping was the government's last important holding in the north except for besieged and impotent Taiyuan.

Meanwhile, the political heirs to Generalissimo Chiang Kai-shek were trying to put the communists in the position of full responsibility for any continuance of the civil war.

(The communist radio hinted strongly that negotiators would not be welcome, saying "Chiang Kai-shek's retirement" and Li Tsung-Jen's taking over the bogus presidency is all at the prompting of the American government, which supported Li Tsung-Jen for vice-president with this very purpose in mind.)

Door Left Ajar.
(The broadcast declared: "All indications are that the Kuomintang's reactionary Nanking government has no desire for genuine, democratic peace.")

(The communists did leave the peace door slightly ajar, however, for their hardboiled broadcast quoted "liberated area newspapers" rather than the communist leadership. Thus, the official line could be changed without loss of face if the communists should decide it was to their advantage.)

The government announced its newly appointed delegates were ready to start negotiations "at a suitable place to be agreed upon by both sides," but how to establish contact was a problem still occupying acting president Li Tsung-Jen.

Delegates Named.
Heading the delegation will be Shao Li-tze, a veteran advocate of peace between the nationalists and the Reds.

Appointment of the peace mission came a few hours after acting president Li Tsung-Jen assumed the powers of Chiang Kai-shek, who retired Friday after 22 years at the helm of nationalist China.

Appointed with Shao were Chang Chih-Chung, government commander in northwest China, and three relatively minor officials.

Chang was one of General Marshall's committee of three which tried to reach a settlement in the civil war shortly after Japan's surrender.

Up to Reds.
A government statement announced that the five delegates "are ready to start peace negotiations with delegates of the Chinese communist party at a suitable place to be agreed upon by both sides."

That move puts the issue squarely up to the communists whether they will deal with a Nanking government minus Chiang Kai-shek.

Nanking and Shanghai were quiet without any indication that Chiang Kai-shek's departure would produce any violent reaction.

Chiang himself was resting at his ancestral home in Fenghua, 210 miles southeast of Nanking.

CLIMAX TO AIR-MAIL ROMANCE—Congratulating a couple ne married Saturday after their year-long air mail courtship, District Judge Harry Spencer is shown shaking hands with Mr. and Mrs. Vasilios "Bill" Vagalis. Mrs. Vagalis, the former Calliope Tavoulari flew to the U. S. from Piraeus, Greece. (Staff Photo.)

'Airmail' Romance Climaxed By Simple Wedding Here

A year-old "airmail" romance between a 20-year-old Greek girl and a Lincoln man was climaxed Saturday with a simple, double-ring ceremony in County Judge Harry Spencer's chambers.

For the bride—Calliope Charalampous Tavoulari, of St. Piraeus, Greece, everything including the language, surroundings, and even her husband was a "little" strange.

Flashing a smile of happiness for reporters, the brown-eyed Calliope blushed profoundly during the 20 minute ceremony that united her with Vasilios "Bill" Vagalis, 6417 Burlington, a 32-year-old employe at the Burlington shops, who had met his bride for the first time on Jan. 2 in New York.

The five-foot, black haired bride had only a "yes" and a "smile" in answer to Judge Spencer's ceremony questions as Nick Christopoulos, a friend of the groom, interpreted in Greek what the judge was saying in English.

The marriage climaxed what the groom described as a "year long courtship by mail." He told reporters that he had found out about Calliope from a sister who knew her folks.

"We began writing and then last month I sent plane money after we had decided to get married. I met her in New York and brought her here," the groom said.

What about a honeymoon?
"Not just yet," the groom replied. An exchange of Greek between the couple brought the added explanation from the bride via a friend.

"She thinks America is enough honeymoon."

Zephyr's Mail Car Derailed; None Injured
Main Line Track Blocked 6 Hours

(Special to The Star)
FRIEND, Neb. — Passengers and crewmen aboard the west-bound Denver Zephyr miraculously escaped injury early Saturday near here in the derailment of the train's mail car.

A Burlington spokesman said the derailment resulted from a broken wheel on the mail car. Just a set of wheels on the rear of the car left the tracks.

The derailment blocked traffic on the main track for approximately six hours.

Zephyr passengers were returned to Lincoln following the accident and re-routed west on the Lincoln-Aurora line.

The train was said to be traveling at its "normal speed" at the time of the derailment, which occurred at 3:30 a. m., two miles east of Friend.

Trouble Comes Double For The Lococo Family
Thursday was a bad day for falls and broken bones in the Lococo family.

Marie Lococo, an employe of The Star, was returning to work from lunch at her apartment at 745 South Twelfth street. There was some ice and Marie acquired a chipped bone in her elbow.

Mrs. James Lococo, Marie's mother, went outdoors at her farm northwest of Lincoln. There was ice there too and Mrs. Lococo broke a wrist.

The doctor had just finished putting a cast on Marie's arm when in came Mrs. Lococo. Neither knew of the other's injury until then.

Rites Sunday For James H. Hall, 67
Funeral services for James H. Hall, 67, former Lincoln resident who died at the home of his sister, Mrs. Kate Hopkins, in Kasson, Minn. Thursday, will be held Sunday, 2 p. m., at Wadlows, Rev. F. F. Gross officiating. Burial will be in Wyuka. Services had previously been scheduled for Saturday.

Born in Lincoln, Hall lived here all his life until moving to Minnesota in April, 1948. He was an employe of the Lincoln Traction company for about 40 years as a street-car motorman on the College View run.

Surviving are two sisters, Mrs. Julia Bronson, Lincoln, and Mrs. Hopkins; one brother, Sam D. Hall, Lincoln; nine nieces and seven nephews.

Injured in East of Collision

Two Cars Crash Trying To Avoid Third On No. 34

All 11 persons injured Friday night in a two-car collision two miles east of Lincoln on U. S. Highway No. 34 were reported in good condition Saturday afternoon by their physicians.

Most seriously injured was Alvin Brashear, 21, 4902 Bancroft, who suffered fractures of the pelvis and right arm. He is being treated at Bryan Memorial hospital.

Also still hospitalized at Bryan Memorial Saturday afternoon were David Fowler III, 8, Plattsmouth, who suffered head lacerations and a concussion, and his brother, Billy, 6, who received body bruises.

Treated at Bryan hospital following the accident but released by Saturday afternoon were: Mrs. Sue Royer, 26, 4318 Sheridan, sprained left ankle and bruises on the body.

Warren T. Royer, 26, 4318 Sheridan, laceration of the head and body bruises. Bernice Bagdonovich, 23, 3030 South Forty-eighth, injured knee. David Fowler, 20, Plattsmouth, minor cuts and bruises.

Mrs. Spencer Larson, 29, 5020 Bancroft, minor cuts and bruises. Liane Larson, 14 months, 5020 Bancroft, minor cuts and bruises.

Nike Bagdonovich, 23, 3030 South Forty-eighth, minor cut.

State patrolmen said a car driven by Fowler with his two sons and Mr. and Mrs. Spencer Larson and their daughter Liane as passengers was going east on the highway when it collided with a car driven by Royer going west. The rest of the injured were passengers in the car driven by Royer.

Royer told patrolmen he noticed a car driven by Henry W. Blohn, Walton, parked on the side of the road and swerved sharply to the left to avoid it. Fowler swerved to the right, and the two collided.

New Record In County Collections

1948 Taxes, Fees Paid To Treasurer Total \$7,828,606

Collections by the Lancaster county treasurer soared to a new all time high of \$7,828,606.24 during 1948.

The money—pouring in mainly from state, county and school taxes—was more than a million dollars above the previous high of \$6,763,865.25 taken in during 1947.

County Treasurer C. E. Berg reported that the all time "peak" in collections came last month when \$1,236,287.46 was received. Of the December total, \$1,011,787.03 came from taxes, of which school levies brought in \$573,000.

The December collections go into the record books as the county's first million dollar month in history, topping the previous high of \$898,000 taken in during December, 1947.

These record collections boosted the treasurer's year end balance of state, county, school, assistance, sanitary district, and village funds to \$1,780,556.18 a total \$500,000 over the Dec. 31, 1947 balance.

County Funds Low.
But despite this rosy overall picture, the money problems of the county were not so bright.

Down under a year ago were reserves in the general highway bridge funds with only the rural mail route traveling fund showing an increase over 1947.

The biggest drop came in the general fund where the balance dropped from \$177,000 a year ago to \$290,111.94 on Dec. 31, 1948. Other drops included highway, \$100,000 to \$58,375.66, and the bridge fund from \$281,000 to \$195,416.17.

Balances in other funds on Dec. 31, 1948 were: State funds, \$241,445.94; Sanitary district, \$41,462.79; county, \$291,559.81; assistance, \$41,462.79; sanitary district No. 1, \$85,739.90; school fund, \$343,853.33; city of Lincoln, \$77,866.89; village fund, \$51,619.10, and miscellaneous funds, \$29,468.25.

-23 In Iowa
DECORAH, Ia.—(AP)—The temperature dropped to a local winter's low of 23 below zero here Friday night. This equals the state low for the current winter which occurred earlier this week when Elkader also recorded 23 below zero. Elkader had a reading of 22 below Saturday morning.

THE WEATHER
LINCOLN—Freezing rain with some snow and slowly rising temperatures tonight. Low near 20. Sunday freezing rain and snow, highest near 33, followed by snow and colder in afternoon or night. Moderate to fresh southeasterly winds increasing tonight and becoming light northerly by Sunday night.

NEBRASKA—Cloudy tonight with light snow except freezing rain in southeast. Low temperatures tonight near zero in west and west to 10-15 in southeast. Sunday snow except freezing rain in southeast and extreme east with strong shifting winds becoming northerly 35-40 miles an hour and much colder in west and north portions. Highs near 10 in northwest to lower 30s in southeast.

KANSAS—Light freezing rain tonight with low near 20. Sunday freezing rain and snow, highest near 33, followed by snow and colder in afternoon or night. Moderate to fresh southeasterly winds increasing tonight and becoming light northerly by Sunday night.

NEBRASKA—Cloudy tonight with light snow except freezing rain in southeast. Low temperatures tonight near zero in west and west to 10-15 in southeast. U. S. Troops, Czech Guards Clash In Border Skirmish

SCHIRNDING, Germany—(AP)—U. S. soldiers told Saturday how they exchanged shots with Czech border guards.

The blazing skirmish of Thursday has gone to diplomatic levels for settlement.

Six constabulary troops said they "hit the dirt" when from 120 to 150 shots from the Czech side of the border whistled by them at waist level. They said they fired 43 shots in return.

No Americans were hit. Czechs officials said all Czechs also escaped injury, but some American

soldiers said they thought they saw some Czechs fall.

Truck Starts Trouble.
While American and Czech diplomats from Prague visited the scene, soldiers engaged in the action gave this account of the gunplay.

German border guards were tipped that a truck was going to try to cross into Czechoslovakia with an illegal load of ball bearings from Schweinfurt.

Six guards were posted near an earthenwork border barrier on a little used road.

A truck hove into view and they challenged it. The driver continued on, and the German guards fired 80 shots into it. Both occupants were believed fatally wounded.

Patrol Hits Dirt.
The driver tried to swerve around the barrier and smashed the truck into a tree. The truck halted with its tail end just three feet inside the Czech frontier.

Czech guards heard the shooting and themselves opened fire. The German guards fired 40 shots in return.

Six American constabulary troops patrolling in jeeps drove up and immediately encountered bullets from the Czech forces.

They dived for the ground and began shooting across the border with rifles.

Truce Arranged.
Later they found bullets imbedded at waist level in trees near them. They said the Czechs were using sub-machine guns.

Within 20 minutes a platoon of 18 men arrived as reinforcements. The firing still was going on.

When the shooting quieted, a truce with the Czech commander was negotiated.

They agreed to withdraw their troops from the immediate vicinity except for three enlisted men from each side to guard the truck.

Truck Still There.
American soldiers estimated that from 100 to 200 Czechs were engaged in the skirmish.

They said the Czechs Friday brought up the equivalent of a regiment to a point a mile or so from the border.

German guards estimated that the truck carried bearings worth 200,000 Deutschmarks (\$70,000). The truck, covered by a lightly falling snow, still was unmoved tonight. Its disposition awaits the outcome of talks between American and Czech diplomats.

Hearings On Tax Bills Are Delayed Until End Of Month
Public hearing on any bills to broaden the state tax base will be delayed until after the end of this month, Chairman Tvedik of the legislature's revenue committee said.

Jan. 31 is the last day for introduction of bills by individual members.

So far, a sales tax bill is the only measure introduced this session to broaden the state's tax structure, but other proposals are anticipated.

Preparing Income Tax Bill.
Sen. Lester Anderson of Aurora disclosed that he was preparing a state income tax bill.

Tvedik pointed out that another reason for delaying hearings on revenue measures would be that the state's financial needs will be more apparent later in the session.

The sales tax bill was sponsored by Senators Burney and Metzger, who estimated such a measure would have produced \$20,000,000 in revenue last year. They would place the revenue in the general fund, to replace revenue now raised with the state property tax.

All Ice Safe
The skating rinks at Belmont Oak Creek and Huskerville were listed as covered with snow by the park department Saturday. Rated as good were the Bethany College View and Sawyer-Snell areas. A fair rating was given Lake Street.

Copter Plunges Into L.A. Streets

... PILOT IS KILLED

LOS ANGELES — (AP) — The first crash of this far-flung city's helicopter mail shuttle service took the life of a young pilot in a crackup in a busy downtown street.

Harry A. Slemmons, 27, of Inglewood, perished as the rotorplane, taking off Friday night from the roof of the terminal annex post office, grazed the parapet and plunged into busy Macy street, narrowly missing traffic.

Officials of Los Angeles airways, which operates the shuttle service between Los Angeles post office, municipal airport and various southern California cities, said it was the first crash since the service was inaugurated here in October, 1947.

The plane struck a power line as it crashed, but there was no fire. All mail was recovered.

'Snowbound' Situation Is Better Now
Governor Taking Steps Help Farmers, Ranchers Take Care Of Livestock

With most of the state highways open and railroads making their way through snow-blocked cuts, the situation in towns of the state has been relieved and adequate supplies are becoming available.

Farmers and ranchers who have been isolated, not only from towns, but from being able to care for livestock are the present problem, according to Gov. Val Peterson, who said Saturday that he was taking steps to work out a relief program.

Opening of land access roads by the counties and roads on ranches to feed supplies and stock will be attacked through a two-pronged survey the governor is having conducted.

Check Equipment.
He asked Douglas County Commissioner Roman Hruska, secretary of the Nebraska County Officials association, to make a survey of available snow removal equipment in counties outside the blizzard area.

2. He asked L. C. Curtis, Omaha, president of the Nebraska Chapter of Associated Contractors, to survey the equipment situation among association members and find out how much could be lent to counties or individuals on a rental basis.

The governor asked Hruska to work out a plan for lending or renting snow equipment by counties outside to counties within the blizzard section.

SICK REMOVED.
The governor said rancher friends had reported to him removal of the sick and dropping food by plane to isolated ranches had been completed.

"The big problem now is getting roads open to feed lots and haystacks. They can't get feed to the animals, they can't ship the stock out, because of the snow," he commented.

The governor reported that a Camp Carson, Colo., was making six additional army "weasels" available to Nebraska for snow relief, and two which had been working in the Chadron area will remain. These implements are used mainly to carry food to isolated farm families and break trail roads.

Some of the additional weasels will be used in western Nebraska and some will go to the O'Neill area.

Peterson said any cases of hardship due to food or fuel shortage should be reported to the mayor, county commissioners, or nearest Red Cross official to the community affected, so the needs can be relayed to the governor's office in Lincoln.

Up to Reds.
A government statement announced that the five delegates "are ready to start peace negotiations with delegates of the Chinese communist party at a suitable place to be agreed upon by both sides."

That move puts the issue squarely up to the communists whether they will deal with a Nanking government minus Chiang Kai-shek.

Nanking and Shanghai were quiet without any indication that Chiang Kai-shek's departure would produce any violent reaction.

Chiang himself was resting at his ancestral home in Fenghua, 210 miles southeast of Nanking.

Wedding Is Solemnized

The marriage of Miss Jeanne G. Koch, daughter of Mr. and Mrs. Theodore Loika, to Kenneth D. Deubelbeiss, son of Mrs. Alene Deubelbeiss, was solemnized at 7:30 o'clock, Saturday evening, December 18, at Faith Orthodox Presbyterian church. White candles burning in pedestal candelabra, and baskets of white pom-pom chrysanthemums and greenery, decorated the altar for the service, the lines of which were read by the Rev. Herbert S. Bird.

Lighting the candles was the Kaydel Koch, brother of the bride, and the wedding music was played by Miss Alice Horton, organist. Miss Horton also accompanied Miss Marilyn Swedberg who sang, "I Love You Truly."

Maid of honor was Miss Betty Stoltz who wore a gown of petal pink slipper satin with a rosette of matching satin in her hair. Frocked identically in pale blue satin was the bridesmaid, Mrs. Leonard Rexroth of Humboldt, sister of the bridegroom. Corsages of white pom-poms and long gloves of white kid completed the costumes of the attendants.

Given in marriage by her step-father, the bride wore a gown of white slipper satin. A wide ruffle of Chantilly lace framed the deep net yoke in the croup-shoulder mode, and long sleeves completed the fitted bodice. The full skirt tapered into a train beneath a draped peplum, and her veil of silk illusion was held by a tiara of seed pearls. Her bouquet was fashioned of white roses and pom-pom chrysanthemums.

Martin Deubelbeiss served his brother as best man, and seating the guests was Leonard Rexroth of Humboldt.

A reception was held at the church, and among those assisting were Mrs. Ollie Horton, Miss Elsie Wilson, Mrs. Dona Lebsack and Miss Betty Eichorn.

Mr. Deubelbeiss and his bride left for a brief trip after which they will reside at Green Cove Springs, Fla., where the bridegroom is stationed with the navy. For traveling, Mrs. Deubelbeiss wore a suit of green gabardine with matching accessories and a corsage of white roses.

Lay Conferences Here Next Week

The Synod Lay conference of Presbyterian churches in Nebraska will be held Thursday and Friday at First Presbyterian church. State and national speakers and church leaders will take part in the two-day meeting highlighted by a mass meeting Thursday, 8 p.m., at First Presbyterian church. The public is invited to this program featuring two choirs.

Ingram Resigns

CHICAGO — (AP) — The All America football conference Saturday accepted Jonas Ingram's resignation as commissioner and named Oliver D. Kessing to succeed him.

"I was over the route last summer, and found it in terrible condition. It would shake our car to pieces," he declared.

He said Nebraska is losing much gasoline tax revenue because tourists have heard about the condition of the road between the bridge and Wausa, and avoid crossing Nebraska.

"Youngsters lives are too precious to be trifled with," Decker said Saturday. "We have advised schools to take no chances of harm coming to pupils."

The blizzard has been classified by the state department under the category of "epidemic" which under state law does not require that the time lost be made up later in the spring. Teachers will be paid the same as though school was in session.

Richard McNamara, state Legion commander, delivered the main speech of the evening.

Nothing To Say

WHEN ANY SOCIETY EDITOR has nothing to say things must be at a standstill, socially speaking—Our trouble, of course, is that we talk too much all week long and leave little for the Saturday chatter column. Last evening we orated about the Junior League party, the Saturday Night club dinner dance, and the Faculty Dining Club—all scheduled for this evening—and that more or less took care of everything.

HOWEVER WE SCOUTED around the town and discovered that Mickey Walt, daughter of Mr. and Mrs. Edward J. Walt, Jr., has a house guest—Miss Jean Spencer of Nebraska City. Complimenting her visitor, Miss Walt was a luncheon hostess today when she entertained a small group of guests at the University club.

Incidentally, Miss Spencer seems to be the incentive for considerable informal activity this week-end.

NURSERY NEWS TODAY brings us the tidings that Dr. and Mrs. Kenneth E. Holland are announcing the birth of a son on Friday, January 21, at Lincoln General hospital. Mrs. Holland is the former Naomi Wagner of Bucyrus, O., and the young man's paternal grandmother is Mrs. Susan Holland of Lincoln.

AND SOMEONE TOLD US that Mrs. Christian Volf (Sarah Apperson), is arriving this evening from Beverly Hills, Cal., for a visit with Lincoln friends.

Capitol Open House

The pupils of Capitol school will entertain at an open house, Monday evening, from 7 o'clock to 8:30 o'clock. The affair will be held in celebration of the complete redecoration of the school building.

BRYAN MEMORIAL HOSPITAL
MR. and MRS. J. P. O'HANLON, 925 South Fifteenth street, a daughter, on Saturday, Jan. 22.

Priority Asked For Approach To Yankton Bridge

A bill to hurry up the completion of a new approach to the Missouri river bridge at Yankton, S. D., on U. S. highway 81, was introduced in the Nebraska legislature Friday.

Senator Lusinski of Columbus proposed a measure requiring the state highway department to give priority to improvement of any approach to an inter-state bridge for a distance of 25 miles.

Lusinski explained that the highway department has programmed a cut-off which would take U. S. highway 81 directly north from the junction with U. S. 20 to the Yankton bridge. The present route of U. S. 81 jogs west a few miles on U. S. 20, thence north through Wausa, and back east to the bridge.

"I was over the route last summer, and found it in terrible condition. It would shake our car to pieces," he declared.

He said Nebraska is losing much gasoline tax revenue because tourists have heard about the condition of the road between the bridge and Wausa, and avoid crossing Nebraska.

The blizzard has been classified by the state department under the category of "epidemic" which under state law does not require that the time lost be made up later in the spring. Teachers will be paid the same as though school was in session.

Richard McNamara, state Legion commander, delivered the main speech of the evening.

"Youngsters lives are too precious to be trifled with," Decker said Saturday. "We have advised schools to take no chances of harm coming to pupils."

MYRNA KATHRYN JOHNSON.

Mr. and Mrs. Marcus Johnson of Friend announce the engagement of their daughter, Myrna Kathryn, to Emory Dean Shores, son of Mrs. Golda Shores and E. C. Shores.

No wedding date has been named.

Board Luncheon

The Women's board members of Bryan Memorial hospital will hold a 1 o'clock luncheon on Thursday at Grace Methodist church. Hostesses will include Mrs. F. M. Brigham, Mrs. C. M. Duff, Mrs. M. H. Robb, Mrs. Elmer DeKay, Mrs. E. A. Baker, Mrs. N. M. Adams and Mrs. Ira Kingsley.

Wesleyan Faculty To Be 'Auctioned' Off To Students

Nebraska Wesleyan students will have an opportunity to bid for the services of faculty members at a student-faculty mixer at the Student Union Saturday night.

Part of a program sponsored by the Growing Christian commission of the joint Y.W.C.A.-Y.M.C.A., the auction is being held "as a method of developing closer relations between students and faculty," according to a Y.M.C.A. member.

He added that faculty members whose time is purchased would be asked to perform such stunts as asking students' shoes, working in the snack bar and jitters-bugging for the spectators.

Dean Lanning, Eagle sophomore, is chairman of the sponsoring group. Committee heads include entertainment, Joanne McInnis, Ravenna; decorations, Beverly Urborn, Arapahoe; materials, Emma Rib, Gurley; publicity, Dick Hartley, Lincoln; and faculty contacts, Mary Alice Godbey, Milford.

Damages Refused In Rathbone Suit

A Federal court jury Friday afternoon denied damages to Mrs. Hazel V. Rathbone or her husband, Harvey Rathbone, for her fall in the office of the Central Electric and Gas company two years ago.

The jury brought in its verdict for the defendant after a little more than two hours deliberation on the case.

Mrs. Rathbone was seeking \$25,000 for personal injury and Mr. Rathbone sued for \$25,000 damages for loss of the services of his wife and medical and hospital expenses. The cases were consolidated for trial.

Verdict for the defendant ended the first jury trial of this session of Federal court here. The jury has been excused until Jan. 31, when it will reconvene to hear several other cases left to be tried before a jury.

Coffman Is New UCLA Law Dean

LOS ANGELES — (AP) — Dr. L. Dale Coffman, 43, dean of the Vanderbilt university law school since 1946, was named Friday to head the new law school of the University of California at Los Angeles.

"We chose Dr. Coffman for this important post after surveying the entire country for the best possible dean," said Dr. Clarence A. Dykstra, provost of U.C.L.A.

Dr. Coffman, a graduate of the University of Iowa, taught law at the University of Nebraska from 1932 to 1938 and was attorney for the General Electric Co. from 1938 to 1946.

W.R.P.C. Club Luncheon

The W.R.P.C. club members met for a 1 o'clock dessert luncheon on Friday at the Lincoln B. and P. W. club rooms. Guest speaker for the afternoon was Dr. Paul Royal of Bailey's sanitarium who addressed the group on the topic, "Modern Trends in Psychiatry."

Introducing Dr. Royal was Mrs. E. S. Gunn, and included among the luncheon hostesses were Mrs. A. W. Westberg, Mrs. G. W. Lawson, Mrs. P. J. Grant and Mrs. E. J. Gillette.

Saturday Dancing Clubs

A square dance will be held at 8:30 o'clock this evening in the Y.W.C.A. gymnasium by the Swing-Cheer Dancing club. The dances will be called by Kenneth Durm.

Circle Eight Fun club members will meet at 8:30 o'clock Saturday evening at the IOOF hall. Committee in charge of arrangements will include Mr. and Mrs. L. H. Sutton, Mr. and Mrs. Harold Brady and Mr. and Mrs. T. T. Smith.

RALPH PIERCE

Pierce In Concert At Union College

Ralph Pierce, concert pianist, will appear in concert at 8:15 p. m. Saturday at the Union college auditorium. Forty-ninth and thirtieth in the series, Mr. Pierce, now on his annual concert tour, is well known to concert audiences throughout the United States and in Europe.

A young pianist, Mr. Pierce made his concert debut in Kimball Hall, Chicago, on March 2, 1941. He made his New York debut on January 4, 1944, and has appeared in numerous concerts and broadcasts there since.

Mr. Pierce will appear under the auspices of Adventist Artists, and his concert will be a feature of the Union college lyceum series. Holders of tickets for a lyceum concert on last October 16 by the "Debonairs" male quartet may use their tickets for the Pierce concert. An unavoidable delay made it impossible for the "Debonairs" to keep their appointment on October 16, and holders of tickets were notified at the time that they would be given the privilege of using the tickets at a later date.

Orphanage Will Rent Farm Land

The S. Thomas Orphanage corporation board and diocesan consultants approved renting of the portion of the orphanage farm lying east of South Twenty-seventh street.

The action came at the annual meeting held recently at which time Charles Ledwith, Charles G. Walter, and Thomas Eckery were appointed to a standing committee to rent the property. The remaining portion will be used for intensive gardening, and poultry and hog raising.

L. Vincent Michal and John Love were appointed as lay members of the orphanage corporation board.

Named to the Catholic Social Service board were Dr. J. J. Podlesak, L. V. Michal, and Richard Vestecka. E. J. Beauvage was named to fill the unexpired term of Dr. Clarence Forbes, who has moved from Lincoln.

Roper & Sons Mortuary 2-6501 Adv
Oberties at Rotary — L. C. Oberties, a former Lincoln Rotarian now living in Washington state, will address the Lincoln Rotary club Tuesday. Before moving from Lincoln seven years ago, he was state senator in the 1917 legislature, city council member, and a director of National Bank of Commerce.

Lincoln Bank Sued On Securities Held For German National

The Continental National bank of Lincoln was named defendant in a Federal court suit for income from securities allegedly held in trust for a German national.

The suit was filed in the name of Attorney General Tom Clark as custodian of alien property. Assistant U.S. Attorney James L. Brown filed the complaint Saturday.

According to the complaint, the bank holds securities, the income from which is to be paid to Emmy C. Bomsdorf, of Leipzig. The trust was provided by her father, Gustav C. Menzendorf, who died in 1943.

The complaint asks judgment for the amount of the income since Menzendorf's death.

HERE is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.
